MINIMUM WAGE UPDATE

Los Angeles Minimum Wage Increase

Effective January 1, 2018, City of Los Angeles (including Chinatown) Employers must abide by an increased minimum wage of \$13.25. An exception is made for employers with 25 or fewer employees, for whom the new minimum wage would be \$12.00.

The L.A. City Council approved Ordinance 183612 in 2015 and established a citywide series of scheduled increases for minimum wage. The goal is to achieve \$15.00 across the city by 2020, with an additional adjustment year for employers with 25 or fewer employees. After the \$15.00 per hour minimum wage goal is met, future minimum wage adjustments would be tied to the Consumer Price Index.
